

# PREVAIL

Hero of the Month!

**August 2019**

**Brian Myers**

For the month of August, we'd like to recognize our Celebration Committee Chair and long time supporter, Brian Myers.

Brian and his family foundation (Biddle Memorial Foundation) have been long time supporters of not only Prevail, but a lot of not-for-profits in our community and in Central Indiana.

For more than 10 years, Brian has attended our largest fundraising event. First Reds, Whites & Blues, then to the Gala, and now the Celebration. He has always been eager to support in anyway and has offered feedback before and after the event.

As Brian would say, he was "providing too much feedback" because he was then asked if he would be a member of the planning committee for the event. He did not hesitate to respond and he worked diligently at gathering sponsors, auction items, and other supporters. Engaging each of them in Prevail's mission and sharing his passion to help with anyone and everyone he came in contact with. He did such a good job at engaging others, he was then asked to serve as Chair for the 2019 Celebration of Hope. Armed with his vision for what the event could be, Prevail broke another milestone financially and had another record breaking event.

We are honored to have Brian's support and vision as a part of the team for the Celebration and we are humbled by everything he does to support positive change in his community. His passion for others is amazing and we are all lucky to have men like him serving others each day.

**Thank you Brian! You are our Hero!**
