

# PREVAIL

Hero of the Month!

**June 2019**

**Christi Crosser**

Prevail recognizes a Hero every month. This is someone who has gone above and beyond in some way that benefits victims of crime and abuse in Hamilton County. This month we would like to recognize Christi Crosser as our Hero of the Month.

Christi has generously donated her time and energy over the past year to Chair the committee that planned and implemented Prevail's Fashion Show. We have heard this committee described as, "doers," "go getters," and "so efficient." That all comes from a great team with a great leader – and Christi deserves the credit! Christi and her family have a history of supporting Prevail in many ways over the past 10 years or more, including her service on Prevail's Board of Directors for the past six years; but this past year, and especially this past month, Christi has gone way above and beyond! The Fashion Show, thanks to Christi's leadership, was bigger than ever in attendance and revenue. That means more support for the victims of crime and abuse who come to Prevail every day for hope and healing.

Thank you, Christi, for supporting Prevail in so many ways, but especially in your leadership of the Fashion Show Committee!! You are our hero!

**Thank you Christi Crosser! You are our Hero!**
