

**PREVAIL**  
Hero of the Month!

## June 2020 Mike Rogers!

Mike Rogers is one of those people who will swoop in as soon as he hears a call for assistance. You know, like Super Man! Like a hero!

When Prevail needed a lot of really heavy furniture moved around the office, Mike swooped in. When we put a call out for bottled water on social media, Mike Rogers swooped right in. When we needed snacks for our youth programs, there he was—swoop! When the state of Indiana was ordered to shelter in place, Mike swooped in yet again. He heard that his company, DTE, was issuing grants to agencies that serve families. SWOOP! He put Prevail in touch with DTE and we are now the very grateful recipients of a \$10,000.00 grant!

**DTE**  
Foundation

So thank you, Mike. Thank you for being the kind of human being that looks for opportunities to swoop in to help. And thank you so much for always swooping in to help Prevail. You really are our hero. For the month of June and every other month!

**Thank you Mike! You are our hero!**
